

ALCOHOL POLICIES FOR WEDDING RECEPTIONS

The Old Church allows wine and beer to be served
but no hard liquor or kegs of beer.

If you will be serving alcohol at your reception you will need to obtain a Certificate of Liability Insurance from an Insurance Provider listing The Old Church Society Inc., as additional insured, with \$1 million dollars in place for liquor liability. This is a standard amount of liquor liability and most insurance agents will be able to secure this. The certificate should list the date of the event as well. Please send us a copy of this certificate prior to your wedding.

We also require that liquor is poured by OLCC permitted servers and the day of event we will ask to see their cards. If you are using a licensed caterer they will have all of this in place. We will need them to send us a copy of their insurance policy showing their liquor liability.

Please do not hesitate to contact us with any questions.
