

Parking Information for The Old Church Concert Hall

The Old Church has a small driveway reserved specifically for one staff member (off 11th Street entrance) and one renter / performer (off Clay Street). Both cars must be pulled to the right or left to enable access by pedestrians and those with mobility devices.

Note: Performer/Renter: if your vehicle is larger than a standard van you will have to make other arrangements for parking. A list of options is below.

NOTE: No parking is permitted under the porte cochere. No exceptions.

There is a wheelchair ramp to the right of the Main Doors (Clay Street Entrance) that can be used to load in heavy equipment straight into the concert hall. Please bring your own handtruck, dolly or carts.
